### **Dates & School DOJO**

I would like to apologise for the confusion regarding dates on the Class Dojo Calendar. The dates were inputted at the start of the year, using the school calendar (available on the website 'Dates for the Year' in Parents' Information). For some reason, some of the dates have changed on DOJO and we are unsure why. I realise this has caused confusion and I apologise for this. I have been through the rest of the DOJO calendar and I have double checked all the remaining dates and changed any other errors. I will keep checking in case anything else changes on DOJO between now and the Summer Holidays!
