The internet is a brilliant place to learn and explore, just remember to always be <u>SMART</u>!
IS FOR SAFE

Never give out personal information to strangers on the internet. Personal information includes things like your home address and your birthday.

IS FOR MEET

Never ever meet up with a stranger you have met online unless a parent or guardian has said it is ok and is present. Never, never, never, never, never.

IS FOR ACCEPTING

Don't open emails from people you don't know, they could contain viruses. If you get a strange email from a friend and you think they might have a virus make sure you let them know!

IS FOR RELIABLE

Don't believe everything you read online, check your facts! Did you read it on a reliable website like the BBC? Are other websites saying the same thing? Does it tell you where they got the information from?

IS FOR TELL

If you have an online safety problem, make sure you tell someone. Tell a parent, guardian, or teacher as soon you can.
